

Highly Recommended Haeundae Tourism Spots this Fall Season

| BUSAN X THE SKY

It is the second tallest, and largest observatory in Korea, located at the top of Haeundae LCT The Sharp. Providing expansive views of both ocean into the distant horizon, and the city too. An attraction called the Video Zone is on the 98th floor, a Sky Garden

and restaurant are on the 99th floor, and an art gallery and photo zone are on the 100th floor. The entrance fee is 27,000 won for adults (over 13-years-old) and 24,000 won for children (aged 3 to 12).

| HAEUNDAE RIVER CRUISE

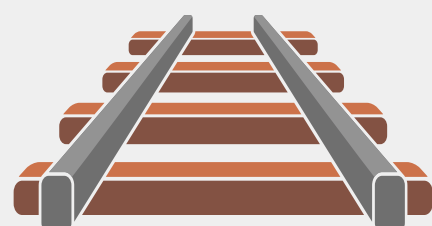

Haeundae River Cruise is a spacious yacht equipped with 43 seats, that cruises between the sea to the river. Setting off from APEC Naru Park, the cruise sails around the Suyeong, Millak and Gwangan Bridges for about an hour. The river cruise offers tour

programs for sunset viewing, night views on the river, and even a private tour for those who want to enjoy a meal with their friends and family for special occasions. Booking is available on the web-site.

| BEACH TRAIN, SKY CAPSULE

A tourist attraction that has utilized the old Mipo railway of the East-Sea South Line. Beach Train is a tram train and first started on 7th October 2020. Then the Sky Capsule, a monorail train, started on 4th February 2021 and they run from Mipo to Songjeong (4.8km). Every month, around 10,000 passengers take these trains. The Beach Train fares start from 7,000 won and the Sky Capsule starts from 35,000 won, depending on the size of capsule.

| SURF HOLIC

A surf shop that provides surfing lessons in all seasons. Its main branch, located in the center of Songjeong Beach, has wide parking spaces, changing rooms, and

shower facilities. The surfing courses are offered in introductory, technical, intermediate, and advanced stages and the lesson fees start from 65,000 won.

| BUSAN MUSEUM OF ART

In the museum there is an annex that has a permanent display titled "Space Lee Ufan", where artist

Lee Ufan's special artwork has been exhibited for visitors to enjoy.

Haeundae-gu- Pohang City Sign Friendship Agreement

Haeundae-gu recently signed an agreement with Pohang City to be a 'Friendship City'. The Friendship Agreement was made possi-

ble on the suggestion of Haeundae-gu local government after it already made alliances with Boryeong City and Gangneung City

respectively. With the new agreement, both cities will collaborate in making their cities good for walking and will invigorate their

marine tourism and marine leisure industries.

Haeundae-gu Sailing Team Success at Hangzhou 19th Asian Games and National Sports Festival

The Haeundae-gu sailing team achieved its best performance ever at both the 2022 Hangzhou Asian Games (postponed to 2023 due to Covid-19) and the 104th National

Sports Festival. Cho Won-woo won the gold medal in the men's sailboat windsurfing at the Hangzhou Asian Games. Ha Ji-min won the silver medal in the sin-

gle-person dinghy yacht race, which sails using only wind power. The Haeundae-gu sailing team also performed well at the 104th National Sports Festival, leading

the Busan sailing team to win the event overall. Ha Ji-min, Kim Gyeong-deok, and Bae Sang-woo received gold medals.
